

Vision Magnetic Receptive

Vision Magnetic Receptive is the new standard of magnetic receptive media with an impressive array of benefits at an affordable price. The enhancements of Vision Magnetic Receptive include roll widths up to 74", a film thickness optimized for easy installation on site, no edge chipping, a neutral white point and exceptional durability in high traffic environments. Vision Magnetic Receptive is eco-solvent, solvent and UV printable. Available in 54", 60" and 74" widths.
