### **About Us**

For almost 50 years, SBR/Vision Graphics has provided visual communications products to regional, national and international clients. As the XXL graphics specialist, our work has been seen by over a BILLION people worldwide. We produce and install banners, flags, building and auto wraps, and floor & window graphics. We produce blueprints and plans and we sell and service printing equipment. We produce business cards, flyers, brochures and other documents. We also provide full-business solutions by managing, printing and delivering corporate and event signage, graphics and documents.

### **About Our Culture**

We're ranked in the Top 20 nationally in our industry, which is no small feat for a Utah-based company. We have made our mark by focusing on the little things and improving our processes every day. Our environment is casual, but fast-paced, and we put our energy into making customers happy. We work together as a team and we support each other from start to finish, and we appreciate those who work to get the job done right. This kind of attitude has kept our customer sat scores high and our repeat business ratios higher.

### **Our Clients**

We mostly serve businesses in the intermountain west. We also have clients nationally who trust us to produce work that accurately reflects their values and brand. While we work with a broad spectrum of companies, we specialize in partnering with franchises

who require assistance with content management and logistics, in addition to the highest-quality printed materials.

### **Equal Employment Opportunity**

SBR/Vision Graphics is committed to providing equal employment opportunities in all employment practices. All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, national origin, citizenship status, marital status, age, disability, protected veteran status, sexual orientation or any other characteristic protected by law.
