FLOOR DOTS - STOP THE SPREAD!

Social Distancing Floor Dots

In areas where people must form lines, add these handy social distancing floor dots to reinforce safe distancing practices.

These dots are 17" in diameter and made in bright, eye-catching colors.

- Easy to place on your floor or sidewalk
- Stays in place and offers a non-slip, non-skid surface.
- Supports months of foot traffic
- Removable high tack adhesive

Adhesive back sticks to most any dry surface including tile, concrete, asphalt and flat-nap carpet.
