

CORONAVIRUS

IDEAS HOW SIGN COMPANIES CAN HELP THEIR COMMUNITIES

IDEA #1

SOCIAL DISTANCING PANELS

- Slot and table game distancing
- Readily Available Inventory
- Moisture-resistant Materials
- Easily Sanitized With Non-solvent Disinfectants

IDEA #2

POP-UP DISTANCING WALLS

- Extremely cost-effective
- Quick & easy to assemble
- Sanitizable all-plastic board
- Lightweight and durable

OUR FOAMBOARDS

Vision UltraBoards are ideal for the above applications as they are an all-plastic board that may be sanitized for reuse. Vision UltraBoard is also extremely rigid and can be cut easily into custom distance solutions. Please contact Vision Graphics if you have any questions about utilizing Vision UltraBoard products in a COVID-related application.
