CAPABILITIES

How do you like your decoration... embroidered or screen printed? Either way, we're ready to produce high-quality products that will enhance your brand and be worn with pride.

Embroidery: We have a catalog of dozens of thread colors and we'll help you match your colors. Our automated stitching machines can easily combine up to 6 thread colors in one design, allowing you to choose from an understated 1-color logo to colorful, complex art.

Screen Print: With screen printing, we can mix ink colors to match every specific requirement. We use automated screen printing equipment with up to 6 screens. While many people only need a color or two, we can produce complex results with multiple colors and fading options.

More than Shirts: Shirts are appreciated, but what about hats, scarves, jackets, aprons, safety vests and other uniforms? We can find the apparel item you need and recommend the best way to add your branding.

Guarantee: Vision Graphics matches high-quality apparel with the best inks and threads to create beautiful corporate apparel. We promise that your apparel will be produced correctly, the image will be sharp and durable and delivered according to your specifications.

HOW TO PURCHASE

We love to bid your apparel orders and we respect your time. Send us your information and we'll return a price to you as quickly as we can. Our "no-surprise" estimates include all costs (including setup, product and production) and expected turn-around time.

To facilitate the highest service level, it is helpful if you have the following information:

- Specific item
- Quantity and sizes
- Embroidery or screen print
- Logo sizes and placements (We recommend that you send the actual file.)
- Your due date, if applicable.

If you don't have all of this information, don't worry! We'll give you a best-guess with whatever you have and then we'll firm that up as you can provide more details.

Send your request to promo@visiondoesit.com, or to your regular sales contact.
