1. BACKDROPS

Your trade show booth will be stunning with a custom backdrop, decorated in custom-designed imagery and visible to everyone passing through your isle. While we can provide most any size, our 14' x 7' curved or straight wall displays include a handy carrying case and can be set up or taken down in minutes.

2. BANNER STANDS

Retractable banner stands are the staple of trade show teams. Lightweight, easy to ship and carry, these banner stands provide large amounts of visible real estate while allowing for flexible positioning within your space. We offer stands from 24" to 60" wide, adjustable heights up to 84" and double-sided stands. Each banner stand comes with its own padded carrying case.

3. TENSION DISPLAYS

Premium X-Tension and L-Tension displays are the most lightweight, flexible display element available for trade show duty. With sizes up to 30" x 69", these economical displays are visible up and down the whole isle and are the easiest product to transport to and from the show (in the included carrying case).

4. TABLE TOP DISPLAYS

Maximize your display space and position your message with mini-banner stands and other table-top displays. These affordable display options give you important vertical space on your table tops and counters.

5. CUSTOM LIGHTING

Control your environment lighting and spotlight critical visual cues with universal light kits featuring UL-listed halogen bulbs and mounting points to affix to your graphic displays.

6. POP-UP COUNTERS

Our fabric pop-up counters provide over 5.5 feet of counter space and allow for a wrap-around graphic on the front and sides. Behind the curtain, you'll find 2 shelves to store your promotional literature and give-aways. Adjustable feet allow you to level the display and the strong aluminum square-frame design is lightweight, yet durable for multiple shows. A carrying case is included.

7. FLAGS

How visible to you want to make your booth? Use teardrop, blade or tower flags with an x-base and water bag to present your message and welcome visitors to your space. Ground stakes are available for outdoor use. Our custom flag kits range from 8 to 15 feet and can be printed as mirror image or double-sided. We'll include a handy carrying case to make transport a snap.

8. DIGITAL DISPLAYS

There is no denying the power of video in a trade show environment. We offer a full solution of displays, digital players and mounting equipment. With a range of commercial product, we'll find the sizes that work best for you and show you how to coordinate your content over multiple displays.

9. LITERATURE RACKS

Organize your promotional literature with lightweight mesh racks. Choose from 4 or 8 pockets to keep your papers at the ready.

10. FLOOR GRAPHICS

When you're ready to take your booth the next level, incorporate floor graphics to decorate and brand your floor space. Our floor graphics adhere to the existing surface with a low-tack adhesive, durable enough to handle your foot traffic while allowing for easy removal. Combine floor graphics with custom standees to attract extra attention.

11. CUSTOM CARPET

Your booth will stand out with custom-printed carpet covering your space from edge to edge. Use your colors and add your brand to your own carpet to create an ultra-premium look.

12. BROCHURES & CATALOGS

We help you produce eye-catching, full-color brochures, flyers, handouts and catalogs in any size, configuration, material and quantity you need.

13. PROMOTIONAL PRODUCTS

Choose from over 25,000 products. Let us stock you up with branded mugs, magnets, bottled water or thousands of other tchotchkes.

14. LOGISTICS

When your event requires multiple elements delivered to one or many destinations, trust Vision Graphics to pack and ship. We're experts at packing crates to protect delicate contents and we'll make sure your equipment arrives at the show when you specify.
