LET'S GO TO WORK

For over 130 years, Carhartt has outfitted those who toil in the harshest conditions. Each piece of Carhartt gear is built with hardworking men and women in mind—so it delivers the toughness and comfort any crew needs to power through.

Carhartt reserves the right to prohibit the addition to any Carhartt product any mark, name, design or logo that does not meet the high standards of the brand. Unless for uniforming end use, Carhartt products may not be resold without embellishment. Please contact your sales representative for more information.

TECHNOLOGIES & INNOVATIONS

Carhartt technologies are born of a simple premise: to Outwork Them All in every weather condition. For comfort in extreme heat to the bitter cold, for the mobility people need to perform at their best, Carhartt delivers 24/7.

Rain Defender® durable water-repellent technology forces rain to bead up and roll right off.

Storm Defender® waterproof, breathable technology is engineered so wet can't get in, but sweat can get out.

The wind can whistle, you won't care. Wind Fighter® technology tames the wind.

Stain Breaker® stain-release technology sends jobsite stains straight down the drain.

Rugged Flex® looks traditional, feels exceptional by delivering stretch for freedom of movement and toughness without bulk.

Carhartt Force® isn't a fabric, it's a collection of hardworking attributes including sweat-wicking FastDry® technology, odor-fighting capability and Stain Breaker® stain-release technology.

FastDry®

FastDry® technology has superior wicking action which makes perspiration a memory.
